Your NDIS plan approval

Please find a copy of your approved National Disability Insurance Scheme (NDIS) plan attached to this letter. The plan started on 11 October 2023 and will be reviewed by 10 October 2025.

How we developed your plan
We considered all the information you provided and the information we discussed during your planning conversation.

As discussed with you, we are required to ensure that all plan supports meet the reasonable and necessary requirements of section 34 of the National Disability Insurance Scheme Act 2013 (NDIS Act) and Part 5 of the NDIS (Supports for Participants) Rules 2013 (NDIS Rules).

All of your requests for support and the information provided to us were considered against the requirements of the NDIS Act and NDIS Rules.

It is important to remember that any funding received from the NDIS for supports must be used for that purpose. Rebates or reimbursement from another government department or private health insurance agency cannot be claimed for things that have been purchased using NDIS funding.

You can request an internal review of a decision about this plan within three months of receiving this notice. You can still use this plan while it is being reviewed. Details on how to request a review are at the end of this letter.

Please note that funds in your core budget are flexible. This means you can choose how to spend this funding to meet your support needs.

Plan self-management request
Thank you for your request to self-manage the supports included in this plan.

The NDIS Act 2013 and National Disability Insurance Scheme (Plan Management) Rules 2013 require that we consider whether there would be any risk if you self-manage your NDIS plan funding for supports.

We have considered all of the information available and I am pleased to confirm that your request to self-manage the funding in your NDIS plan has been approved.

You may request a review of this plan management decision. Details about how to do this are included at the end of this letter.

What you need to do
1). Please **read through** your plan and make note of the "My NDIS contact" listed. We encourage you to think about how you would best like to use your plan funded supports.

2). Tell your **support providers** that you have a new NDIS plan. This may include telling them about any changes to the plan and/or the supports they are providing for you.

3). Read the NDIS participant **booklets** to help start using your plan. You can find and print these from the NDIS website (ndis.gov.au) under "booklets and factsheets", or you can contact us and we can print these for you.

Next steps
Your "My NDIS Contact" will **contact you** about starting to use your plan. They will explain the plan funded supports, answer any questions, and help you to connect to support providers.

In the meantime, If you would like to discuss your plan, you can ask for your "My NDIS Contact" when contacting us in any of the ways listed under the "we’re here to help" section of this letter.

Yours sincerely

Tracey H
Delegate of the CEO
NEC Planning Support and Quality
National Disability Insurance Agency

My Branch Manager:
Tori Stevens
NDIA SES1 Branch Manager

How to request for your plan approval decision to be reviewed
If you disagree with the decision about your plan approval you can request the decision to be reviewed within 3 months of receiving this notice.

We're here to help:

Online

- Internet Relay Users **relayservice.gov.au**
- NDIS mailbox **enquiries@ndis.gov.au**
- NDIS website **ndis.gov.au**
- NDIS webchat **nccchat.ndis.gov.au/i3root**

Phone

- NDIS National Contact Centre **1800 800 110**
- TTY Users **1800 555 677**
- Speak and Listen Users **1800 555 727**
- If you need help with English **131 450**

In Person

- You can also visit a **Local Area Coordinator, Early Childhood Partner** or **NDIS Office** in your area

Have your circumstances changed?
If so, this may affect your NDIS plan or supports. It is important that you contact us about any change in your circumstances.
This change could include:

- compensation you are applying for or have received
- significant changes to your care arrangements
- starting school and/or
- looking for work.

How to request a review of this decision

If you disagree with this decision, you can request an internal review of a decision within three months of receiving this notice.

When asking for an internal review you should explain why you think the decision made is incorrect. The staff member who works on the internal review won’t have been involved in the earlier decision. They may want to talk to you as part of this process.

If you would like to request an internal review of a decision, you can do so either:

- Send a letter to:
  National Disability Insurance Agency
  GPO Box 700
  Canberra ACT 2601
- Visit an NDIS office
- Call **1800 800 110**
- Send an email to **enquiries@ndis.gov.au**

If you request an internal review and are not happy with the decision the Agency makes at that time, you can apply for an external review by the Administrative Appeals Tribunal (AAT).

The NDIS website (ndis.gov.au) provides more information about requesting a review. Search for “Operational Guidelines” and click on the link to "Review of Decisions" to read more.

Thank you and the NDIA looks forward to working with you on implementing your NDIS plan.

Email: rachael.green@ndis.gov.au

NDIS plan start date: **11 October 2023**

NDIS plan review due date: **10 October 2025**

A National Disability Insurance Agency (NDIA) representative will contact me about my plan review before my plan review due date.

My profile

Information about me

This is personal information about me and I can choose to share this information with my service providers.

Date of birth

27 March 2021

Preferred contact method – email

t.mulligan1@hotmail.com.au

About me

Crystal lives at home with her mum Tanya, big sister Ruby and grandma Nerelle. Dad Benjamin provides care for Crystal twice a week and on the weekends.

Crystal is described as a happy and active toddler that loves interacting with her dolls, ride on her push bike, swing and slide at the park, learning from Miss Rachel tv show and listening to The Wiggles.

My Family and friends

- Tanya, Nerelle and Benjamin provide care for Crystal on a daily basis.

My Services and community involvement

- Childcare: Sanctuary ELC 3 days a week.
- GP: Dr Kathy Myers, On the Park General Practice.
- Swimming: Super Fish, 1 day a week.
- ECDP (Early Childhood Developmental Programme) at Musgrave Hills State School.- playgroup Fridays 9:30-11:30

My goals

This is what I want to achieve

Short-term goal

Crystal's family would like her to develop her self-care skills.

How I will achieve this goal	How I will be supported
Crystal will, for example, be able to dress and undress herself. Crystal will increase the variety of healthy and nutritious foods she eats. Crystal will use utensils independently. Crystal will develop her awareness around toileting and become toilet trained. Crystal will become independent with her night routine, not relying on her dummy or blanket to fall asleep.	· Crystal will be provided with opportunities at home, kindy and in the community, to practice skills and strategies to support the goal. There will be a plan in place that assists Crystal and her family to achieve the goal.

Short-term goal

Crystal's family would like her to develop her language and communication skills.

How I will achieve this goal	How I will be supported
Crystal will, for example, be able to develop her vocabulary. Crystal will use her verbal communication to express her wants and needs. Crystal will acknowledge and follow instructions and directions. Crystal will respond to questions and engage in small conversations with others.	· Crystal will be provided with opportunities at home, kindy and in the community, to practice skills and strategies to support the goal. There will be a plan in place that assists Crystal and her family to achieve the goal.

Medium or long-term goal

Crystal's family would like her to further develop her physical skills.

How I will achieve this goal	How I will be supported
Crystal will, for example, be able to further develop her balance and coordination while participating in physical activities.	· Crystal will be provided with opportunities at home, kindy and in the community, to practice skills and strategies to support the goal. There will be a plan in place that assists

How I will achieve this goal	How I will be supported
	Crystal and her family to achieve the goal.

Medium or long-term goal

Crystal's family would like her to develop her emotional intelligence.

How I will achieve this goal	How I will be supported
Crystal will, for example, be able to recognise her emotions as well as other people's emotions. Crystal will learn how to use simple strategies and techniques for self-regulation.	· Crystal will be provided with opportunities at home, kindy and in the community, to practice skills and strategies to support the goal. There will be a plan in place that assists Crystal and her family to achieve the goal.

Medium or long-term goal

Crystal's family would like her to develop her social skills.

How I will achieve this goal	How I will be supported
Crystal will, for example, be able to make and maintain eye contact with others. Crystal will respond to interactions and get involved in social activities with other children. Crystal will develop her play skills and participate in group experiences with her peers at kindy.	· Crystal will be provided with opportunities at home, kindy and in the community, to practice skills and strategies to support the goal. There will be a plan in place that assists Crystal and her family to achieve the goal.

Medium or long-term goal

Crystal's family would like her to develop her cognitive skills.

How I will achieve this goal	How I will be supported
Crystal will, for example, be able to develop her safety awareness across different environments. Crystal will understand basic concepts and follow instructions. Crystal will identify body parts, colours, numbers, animals and objects.	· Crystal will be provided with opportunities at home, kindy and in the community, to practice skills and strategies to support the goal. There will be a plan in place that assists Crystal and her family to achieve the goal.

How I will achieve this goal	How I will be supported
Crystal will associate and link words with their correct objects, people and situations.	

Funded supports information

My funded supports can help me achieve my goals

Managing my NDIS funding

There are 3 different ways my plan funding can be managed:

- **Self-managed:** I will claim funding from my NDIS plan to pay providers myself or my plan nominee or child representative may do this on my behalf. Providers will invoice me directly for supports I have agreed they will provide.
- **Plan-managed:** My plan management provider will make claims and pay providers on my behalf for supports I have agreed they will provide.
- **NDIA-managed:** Providers will claim payment directly from my NDIS plan based on active service bookings. Where supports are NDIA-managed, I can only use an NDIS registered provider.

My funding may be managed in one or more of these ways and is listed with my funding on the following pages.

Stated Supports

Where a support is listed as 'stated' in my plan, I must purchase this support as described in my plan. I cannot swap 'stated' supports for any other supports.

In-Kind Supports

Where a support is listed as 'in-kind' in my plan, I must continue with my existing service provider as they have been pre-paid to deliver this service. However, if I have a concern about using my in-kind provider I can raise my concerns with my NDIS contact.

Quote Required

Where a support is listed as 'quote required' additional information such as quotes and/or specialist reports will be required. Once the quote is approved, the funding will be made available in my plan.

Total funded supports $81,230.80

For 11 October 2023 – 10 October 2025

Core Supports

Core supports help with my everyday activities, my current disability related needs and to work towards my goals. The Core Supports budget is the most flexible, and in most cases, funding can be used across the support categories (however, this may not include transport).

Goal/s my Core Supports funding can help me achieve:

- Crystal's family would like her to develop her self-care skills.
- Crystal's family would like her to develop her language and communication skills.
- Crystal's family would like her to further develop her physical skills.
- Crystal's family would like her to develop her emotional intelligence.
- Crystal's family would like her to develop her social skills.
- Crystal's family would like her to develop her cognitive skills.

Core Supports	Budget
Includes $1,000.00 of funding for disability related health supports. Health consumables include continence, dysphagia, wound care, nutrition and respiratory support. **My Core Supports funding will be:** · $1,997.27 Self-managed	**$1,997.27**
Total Core Supports	**$1,997.27**

Funded supports continued

Capacity Building Supports

My Capacity Building supports are intended to build my independence and reduce my need for the same level of support into the future. My progress and outcomes from these supports will be shared at each plan review.

Unlike my Core Supports budget, my Capacity Building Supports budget cannot be moved from one support category to another. Funding can only be used to purchase approved individual supports that fall within that Capacity Building category.

Goal/s my Capacity Building Supports funding can help me achieve:

- Crystal's family would like her to develop her self-care skills.
- Crystal's family would like her to develop her language and communication skills.
- Crystal's family would like her to further develop her physical skills.
- Crystal's family would like her to develop her emotional intelligence.
- Crystal's family would like her to develop her social skills.
- Crystal's family would like her to develop her cognitive skills.

My Capacity Building funding can be spent in the following ways:

Capacity Building Supports	Budget
Improved Daily Living (CB Daily Activity)	**$77,683.73**

Capacity Building Supports	Budget
This funding is for capacity building - early childhood supports. To achieve the best outcomes it is important that these supports are delivered within the home and community, by early childhood professionals. These professionals should have a Bachelors degree or higher and have registration or membership with relevant professional bodies, such as an occupational therapist, speech pathologist, physiotherapist, psychologist, social worker, early childhood teacher and developmental educator. Professionals should use a best practice model, all working together as a team with your family to pursue your goals for Crystal and preferably using a key worker model. It is expected the supports are delivered in line with the NDIS Commissions NDIS Practice Standards and Quality Indicators for Early Childhood Supports, the NDIS Code of Conduct and the NDIS Pricing Arrangement and Price Limits. This funding includes time for professionals to build the capacity of those supporting Crystal at home and childcare. It is expected that an annual progress report on Crystal's outcomes will take your providers approximately 6 hours per year and it is strongly recommended they collaborate to use the NDIS early childhood provider report form. The funding in this budget is to be used across the full plan period. Therefore, you need to ensure you manage the budget, and set a monthly amount against your capacity building budget, to provide your child with the necessary supports until the plan reassessment. **My Improved Daily Living funding will be:** · $77,683.73 Self-managed	
Improved Health and Wellbeing (CB Health & Wellbeing) Funding for a nutrition plan consultation, assessment and report - 4 hours. **My Improved Health and Wellbeing funding will be:** · $1,549.80 Self-managed	**$1,549.80**
Total Capacity Building Supports	**$79,233.53**

Find out more

Who to contact if I need information or help with my plan

My NDIS contact:

Rachael G
Early Childhood Coordinator
Uniting Care
Ph: 0455998561
E-mail: rachael.green@ndis.gov.au

My next plan review due date:

10 October 2025

A National Disability Insurance Agency (NDIA) representative will contact me about my plan review before my plan review date.

Booklet 3 - Understanding your NDIS plan

I can refer to Booklet 3 to help me understand my NDIS plan and how to use funding, arrange supports and services and work toward my goals. It will also help me review my goals and prepare for my plan to be reviewed. If I do not have a copy, I can ask my NDIS contact or visit the NDIS website.

Important changes

If something important changes or is going to change (e.g. I move house, start work or school, if I get or may get compensation relating to an injury, or if my goals change) I will notify my NDIS contact.
