CLIENT NAME

Dear [REDACTED],

I refer to our mutual client, [REDACTED] (the Client). Thank you for your advice in preparing the Client's Positive Behaviour Support Plan. I enclose a copy of the plan, together with tools and resources to assist with its implementation.

I will contact you shortly to arrange a mutually convenient time to train you and your support staff in the implementation of the plan and the use of the attached resources.

Support staff have been asked to provide ongoing data regarding the implementation of the plan. I will analyse this data regularly and provide you with a written summary at least every three months, which I trust will be useful in monitoring the plan's efficacy.

The development of this plan has indicated that the use of restrictive practices is currently required to keep the Client safe. Where a regulated restrictive practice is included, please ensure any required State or Territory authorisation is obtained and evidence is provided.

I look forward to working closely with you and your team over the coming year. Please contact me if you have any questions.

Kind regards,

FROM
