

Mealtime Management Plan

VERSION 1.0	EFFECTIVE [REDACTED]	NEXT REVIEW [REDACTED]	OWNER [REDACTED]	APPROVED BY [REDACTED]
-----------------------	-------------------------	---------------------------	---------------------	---------------------------

Developed by a Qualified Health Practitioner (a registered nurse, dietitian, speech pathologist or GP) with the participant's consent, based on a comprehensive assessment of nutrition, swallowing, and seating and positioning. It must be available and easily accessible wherever mealtime management is provided, and reviewed at least annually or sooner if needs change or difficulty is observed.
