2 · DECLARATION

I declare that, to the best of my knowledge, the information in this form, my written application and resume, and any accompanying documents is true and correct. I understand that false or misleading information may render any contract of employment liable to termination or other disciplinary action. I consent to, and understand that my employment is conditional upon: reference checks; a pre-employment medical examination (if required) with a practitioner designated by [REDACTED] at its expense; and psychological or aptitude testing (if required). All staff and volunteers undertake criminal history screening in accordance with State and Commonwealth legislation.

Pre-employment collection statement

[REDACTED] respects your privacy. This statement explains how personal information is collected, used and disclosed during recruitment and selection.

0.1 What is personal information?

Any information or opinion (whether true or not) about you — from the sensitive (e.g. medical history) to the everyday (e.g. address and telephone number). It includes others' opinions about your work, your experience and qualifications, test results and other information obtained in connection with your possible employment. Sensitive information can, in most cases, only be disclosed with your consent.

0.2 How your information is collected and used

[REDACTED], or a nominated contractor in the recruitment process, collects your information from your resume and application, information given during interview, references and enquiries of former employers or registration bodies, competency tests or medical examinations, and any information you disclose about a workplace injury, insurance investigation, litigation, disciplinary or criminal matter, inquest or inquiry. It is used in connection with your possible or actual employment, any required test or assessment, and any matter necessary at the pre-employment stage or during the employment relationship.

0.3 Who your information may be disclosed to

[redacted] and its related entities as potential and actual employer; referees; insurers or a workers' compensation body; a professional association or registration body with a proper interest (including the NDIS Commission); contractors and suppliers involved in recruitment; and any person or organisation with a lawful entitlement to the information.

0.4 If you do not provide the information

[redacted] may be limited in its ability to consider you for suitable employment.

0.5 Access and correction

With limited exceptions, you have a right to see and have a copy of the personal and sensitive information [redacted] holds about you. If you establish it is not accurate, complete and up to date, you may ask for a statement to that effect to be placed with the information.

CONSENT

I have read and understood each statement in this collection statement and voluntarily consent to personal and sensitive information about me being collected, used and disclosed by [redacted] as described above.
