

Restrictive Practices Register

VERSION 1.0	EFFECTIVE 	NEXT REVIEW 	OWNER 	APPROVED BY
----------------	-----------------------------------	-------------------------------------	-------------------------------	-------------------------------------

Section 24 of the NDIS (Restrictive Practices and Behaviour Support) Rules 2018 requires that a behaviour support plan for a person with disability that contains a regulated restrictive practice — including a reviewed plan — is lodged with the NDIS Commissioner as soon as practicable after it is developed, in the manner required, regardless of whether State or Territory authorisation is required or has been obtained. Record each lodgement here.
