HOW TO USE THIS REGISTER

Maintain this register in accordance with the Human Resources Management Policy. A **risk assessed role** is: (a) a key personnel role; (b) a role whose normal duties include the direct delivery of specified supports or services to a person with disability; or (c) a role whose normal duties are likely to require more than incidental contact with a person with disability. Table 1 lists the roles that have been assessed as risk assessed. Table 2 records each worker engaged in one of those roles and the status of their screening checks.
