Position title	Specialist Support Coordinator
Reports to	Key Management Personnel
Location	
Employment type	
Date	

Primary purpose

A Specialist Support Coordinator works with participants in complex situations to put a support plan into action, manage significant barriers and risks, and build the participant's capacity to coordinate their own supports.

Key accountabilities

- Work closely with participants in complex situations to identify needs and personalise support
- Promote and foster independent decision-making, choice and control
- Coordinate and liaise with service providers; review and reset goals with the participant
- Identify and manage significant risks and barriers to support

Performance measures

- High-level interpersonal, verbal and written communication
- Interprets and implements NDIS plans and works with support networks in times of crisis
- Uses enablement and strengths-based approaches
- Delivers a client-focused service that is timely, consistent and coordinated

Person specification
