VERSION 1.0	EFFECTIVE 	NEXT REVIEW 	OWNER Behaviour Support Practitioner	APPROVED BY Governing body
-----------------------	-----------------------------------	-------------------------------------	--	--------------------------------------

IMPORTANT

An interim plan is developed for a participant with an immediate need — within one month where there is risk to the participant or others — and is replaced by a comprehensive plan once a functional behaviour assessment is complete. Lodge the plan with the NDIS Commissioner via the Portal as soon as practicable. This form captures the same information as the NDIS Commission's approved template — **confirm you are using the current Commission template for lodgement.**
